Head of Schools: Mrs C Clough

VISION STATEMENT

We want every child to be happy, to be supported to do their best, be recognised and valued for themselves, enjoy their time at Heytesbury C of E Primary School and leave prepared for their future.

OBJECTIVES

Provide a broad and balanced curriculum that promotes the spiritual, moral, cultural, intellectual and physical development of the pupils. This curriculum will seek to prepare the pupils for the opportunities, responsibilities and experiences of adult life;

Provide a happy, secure and Christian atmosphere through which our children can learn effectively. In a consistent and secure environment the children will be treated with respect as unique individuals;

Actively encourage all children to develop their skills, gifts and talents, including developing an awareness of what constitutes a healthy lifestyle to enable them to become valuable members of their community;

Build strong links between home, school, church and community;

Welcome all children regardless of race, creed, ability or disability.

STRATEGIES

At Heytesbury C of E Primary School, we believe that learning should be fun, purposeful and challenging. Through our effective and creative curriculum we aim to equip each child with the skills they need for lifelong learning. We aim to develop confident learners, who take ownership of their learning and are proud of their achievements. In our school we aim to provide a happy, healthy and safe environment, where every child feels safe, motivated and supported, underpinned by our Christian ethos. We actively promote the Christian values of respect, compassion and tolerance for others.

We believe that good teamwork and positive partnerships – with individual children, the whole class, our colleagues, with governors, parents and the wider community will lead to effective teaching, high standards and successful learning.

Children are at the centre of all that we do and we listen carefully to their opinions and perspectives to ensure that learning has purpose and meaning.

We ensure that children have the levels of literacy and numeracy to equip them with the skills to continue their learning journey and achieve economic and personal fulfilment. High self-esteem, confidence, happiness and motivation characterise learners at Heytesbury to enable them to be prepared for life in the 21st Century.
