

Spiritual

Children will reflect upon the wonder of life and creation.

Moral

Children will reflect upon the consequences of their actions on themselves and on others, particularly when they experience the emotions of growing up.

Social

Children work collaboratively, negotiate, respecting others' roles within the group and they will have to resolve conflicts as they arise.

Cultural

Consider how Jesus's teachings have developed our Christian culture.

RE

Our key question this term is:
Is it possible to be kind all the time?

PSHE

What is a 'Successful Learner'?
What do I need to do to be a successful learner?

PE

- Games
- Team work.

History

The great fire of London.
When was it? How did it start? How long did it last? How did it stop? What happened after the great fire?

Geography

- Maps of the UK
- Capital of the England
- Comparing old and new maps of London.

Computing

- E safety
- Why do we need passwords?
- Difference between the WWW and the internet

French

Greetings, age and numbers 0 – 10

Science

Our topic is forces and magnets.
We will be learning about different forces and creating our own. How friction affects forces.

English

- Recounts of the summer holidays.
- Understanding chronological order and the use of sequential words.
- Sentence types – questions.
- Yr 2/3 – nouns, adjectives Yr 3 – adverbs and similes

- Add and subtract 1, 10 and 100 to 3 digit numbers
- Double 2 digit numbers (odd and even) to 50.
- Telling the time to the nearest 15 minutes (recap)
- Find totals of coins including £ and p
- Give change.

Extra Information

Homework

- Children will have a weekly list of spellings, given out each **Friday**. They will practise these in school but also need to revise at home in preparation for their weekly spelling test which will be the following Thursday.
- The class will have a homework challenge every term. This challenge is linked to our class topics. The homework will have up to 6 different tasks and the children are expected to complete at least 3 of them. Those who achieve all 6 will be rewarded with a well-earned star.
- There will be English and Maths homework set, however this will not be weekly as it will be set as and when it is needed according to class teaching. The homework will always have the set and due date on it.
- If your child needs help with any homework, please make sure they tell us **before** the work is due so we can offer support.
- Daily reading and passport practice. Children are rewarded in class for home reading and for passport practice if their link books **have been signed by an adult**. Children are expected to read every day, though can have weekends off!

PSHE

We are having a huge push across the whole school **focussing on** learning skills. Children will consider what they need to do to be successful learners. Do ask your child each week what they have learned.

PE

- The Thursday afternoon PE session will be led by PH Sport – girls need to remember socks as part of their PE kit. As the weather cools, black or navy joggers may be worn.
- Every Wednesday the children will also have PE with Miss Legg so need to ensure they have their PE kit on a Wednesday as well.

Please ensure your child has the correct PE kit in school..

Information Afternoon

In order to explain the expectations we have for your child as they move up a year group, together with class routines and advice as to how you can best help your child, we would like to invite you to an afternoon information meeting on Thursday 14th September.

There will be a meeting later in the year to explain and answer any questions you may have about Year 2 SATS.

Fruit Snacks

We would encourage the children to bring a fruit snack for morning play. This must be in a separate container/bag to the lunchbox or your child needs to remove it from their lunchbox when they get to school as lunchboxes will not be accessible until lunchtime. Each class will have a box for morning snacks.

We would also encourage a bottle of water for the children to access in class throughout the day.
